2025 Ferrari Purosangue, The Ultimate Driving Machine

Unrivaled Luxury and Performance

Welcome to Exotic Cars Dubai, your top spot for the world’s most exclusive supercars and luxury cars. We are thrilled to present this remarkable 2025 Ferrari Purosangue, the first four-door, four-seat creation from Ferrari. This brand-new SUV features a rare Blu Elger exterior and a refined Beige leather interior, combining Ferrari’s racing heritage with practical grand touring.

Incredible Power and Speed

The Purosangue is equipped with a naturally aspirated 6.5-liter V12 engine that generates 715 horsepower and 716 Nm of torque. It accelerates from 0 to 100 km/h in just 3.3 seconds and reaches a top speed of 310 km/h. With Ferrari’s all-wheel drive system, rear-wheel steering, and active suspension, this SUV offers supercar dynamics within a versatile luxury vehicle.

Exquisite Exterior Design

With its elegant Blu Elger finish, the Purosangue projects both sophistication and aggression. Key features include sleek aerodynamic shapes, frameless doors with hidden handles, carbon fibre details, and 22-inch alloy wheels with high-performance tires. The striking Ferrari design elements, such as the flared wheel arches, split headlights, and sculpted hood, make it distinctive from every angle.

Luxurious and Sophisticated Interior

Inside, the Beige leather interior showcases Italian craftsmanship and advanced technology. The cabin offers four individually contoured seats, each featuring heating, ventilation, and massage functions. Other features include digital dual cockpit displays, carbon fibre trim, a premium audio system, and a large panoramic glass roof. It’s a driver-focused yet family-friendly Ferrari, maintaining high standards in both style and performance.
