2025 Ferrari 12 Cilindri for Sale in Dubai – Red with Black & Blue Interior

Experience unmatched Italian performance with the 2025 Ferrari 12 Cilindri, a hypercar designed for enthusiasts who demand speed, style, and innovation. Its red exterior paired with a striking black and blue leather interior creates a bold and dynamic aesthetic, turning heads wherever it goes.

Exceptional V12 Engine Performance

The Ferrari 12 Cilindri is powered by a state-of-the-art V12 engine, delivering breathtaking acceleration and unrivalled driving precision. With advanced aerodynamics and responsive handling, every drive feels exhilarating, whether on urban roads or open highways.

Luxurious and Sporty Interior

Inside, the black and blue interior combines luxury with a sporty edge. High-quality materials, ergonomic seating, and cutting-edge infotainment systems ensure comfort without compromising performance. Every detail in the cabin reflects Ferrari's dedication to excellence and driver-focused design.

Iconic Ferrari Exterior Design

The red exterior radiates passion and performance, featuring sculpted lines, aerodynamic enhancements, and Ferrari's signature styling cues. This hypercar perfectly balances elegance and aggression, creating a timeless and iconic look.

Why Choose This Ferrari in Dubai
